# AGENDA

Strategy Vs. Strategic Planning

Why a Strategic Plan?

10 Keys to Effective Planning

Then, What?

# Difference between strategy and strategic planning?

# What is Strategy?

**Strategy =  
How will we succeed?**

A set of intentional decisions a company makes to give itself the best chance to thrive and differentiate from competitors.

# Strategy is about Choices

- **Meaningfully** different
- Insanely **disciplined**
- **Reinforcing** activities
- It's as much about what you **aren't going to do**

# A Strategic Plan?

## A PLAN!

- Clearly state where you're going
- Organize yourself
- Prioritize and Focus
- Facilitates clarity – communicate and reinforce
- Provides a framework for accountability

# *Failure to plan is planning to fail*

# Strategic Plan

- Longer Term
- Sets the direction
- Clarifies Priorities
- Gives context and filter for big decisions

VS.

# Operational Plan

- Foundation for annual budgets
- Concrete action plans
- Holds people accountable
- Measure progress

(Ken)</li> </ul>

# Definitions to consider

- MISSION:** What we do (aka “**Purpose**” or “**why we exist**”)
- VISION:** Where we’re going
- VALUES:** A small set of vital and timeless guiding principles
- GOALS:** Long term (**BHAGS**) and short term
- PRIORITIES:** 2- 4 major focus areas for the next few years.
- OBJECTIVES:** Quantifiable success measures for each priority
- STRATEGIES:** **How** you will attack each priority
- STRATEGIC ANCHORS** How we win (aka “**our approach**” or “**competitive differentiation**”)
- PROJECTS:** Big buckets of work with dates, milestones, and owners

# #2 Plan to iterate

# What's your vision for the future?

Take a minute to think about what you want your company or department to look like 3 – 5 years from now? What's different? Where are you headed?

## #4 Get outside input

# #5 Involve Others

# #6 Go hard on the “soft stuff”

# Core Values

- Hire, Fire, Reward
- Who do you want to clone and why?
- Who doesn't fit the culture?

# #7 Encourage Healthy Debate

# #8 Make Clear Decisions

*“When you come to a fork in the road... take it.” ?*

**Winning strategies have guardrails.**

## #9 Make a “STOP-DO” List

# #10 Simple. Concise. Actionable

**Strategic Framework**

**Who We Are**  
We are a family owned manufacturer, proud to sell "Made-in-America" products to other businesses and institutions. We manufacture to give us the ability to give our customers exactly what they want. Our strength is driven by delivering what our customers want quickly and as promised.

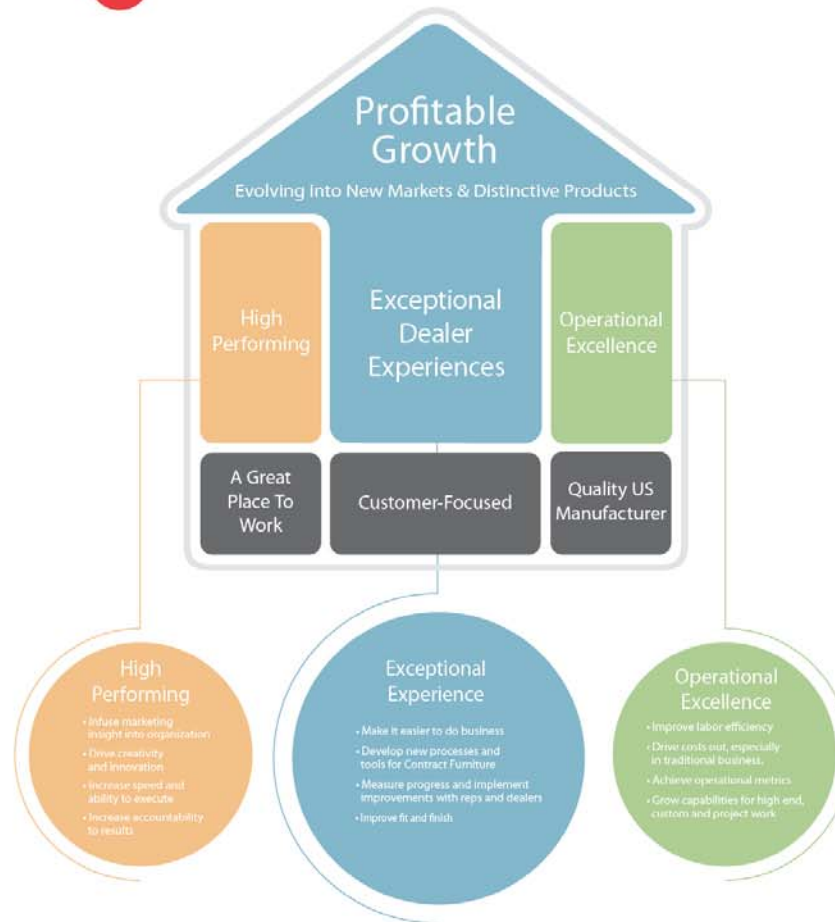

**Our Purpose**  
GMI Companies will be known for service to customers, employees and the community. In order to accomplish these goals GMI must achieve continuous profitable growth.

**Our Competitive Advantage**  
To be a market-driven organization with customer intimacy as our primary focus. Our differentiation is "how" we do business with our customers providing them with the best total solution. We seek customers that value this approach.

**Our Culture**  
We have a culture based on understanding our markets, our customers, and our employees. We routinely innovate to improve products, processes and customer experiences. People willingly hold themselves accountable for delivering what they promise. This attitude results in exceptional performance. We promote safety first in all our operations.

**Our Core Values**

- Drive and embrace change
- Encourage open communication
- Be caring and compassionate
- Preserve the environment
- Promote Teamwork
- Do the right thing

**2014 Division Strategies**

**Ghent**  
Change the mix to higher margin products and maintain revenue levels in current markets. Concentrate new growth in contract furniture, leveraging new processes and products to other channels.

**VividBoard**  
Priority is healthcare, explore higher ed. Support Contract Furniture reps and dealers to proactively sell. Better engage traditional dealer network, while growing our capability for direct sales.

**Waddell**  
Upgrade and reposition Waddell as "display solutions" including new offerings for contract furniture (office and higher ed). Exploit e-commerce, better engage traditional dealer network, and build direct sales approach to government and other end-users.

Strategies for Success				
Priorities	High performance Team Culture	Expand Knowledge & Expertise	Deepend & Broaden OEM Relationships	Explore & Exploit GSA, Online, Lab
Objectives	Financial performance on people assets (SG&A Effectiveness, ratios, etc.)	Grow OEM's from \$16.7m today to \$18.9 m in 2020		Explore and grow Lab market from \$1.2 m to \$4.1 m
	Increased talent rating (A&B players) of teammates x%			Replace dealer revenue with profitable sales through distributor
	Net profit of 10%	Increase diversity in OEM's -- Steelcase to be < 48% of OEM revenue (down from 52% today)		100% growth in GSA/TSMAS dealers
	Unplanned turn-over (A&B players) at or below 10%			Grow alternate dealers (online/pro service) to \$1m
Projects/Strategies	<b>Develop Culture Change Plan...</b> (Executive Coaching, assess current habits; define leadership expectations; leadership competency model; reinforce core values into org. systems, reconcile hungry, humble and smart, identify primary employee engagement awards/targets/goals, structured prof. development; strengthen the bench)	<b>Formalize process for collecting information, research &amp; implementing solutions.</b> (Identify end game and who's responsible, what data do we need to drive decision, by role -- leadership team, customer-facing, prod. Dev/engineering?; collect market data -- landscape, competitors, marketshare.)	<b>Create future state customer-relationship team profile</b> (gap) analysis and implementation plan; create teams, hunters and farmers, talent assessment, right people calling on right people; including creating OEM sales strategy.	<b>Explore and understand GSA to create strategy and plan</b>
	<b>Define company functions and ownership</b>	<b>Re-organize</b> with focus on emphasizing customer needs	<b>Complete restructure of dealer market</b> (including implementation; plan for revenue replacement, plan to work out of the dealer market)	<b>Define online strategies and owners</b>
	<b>Communication plan</b> to articulate and reinforce the vision/mission/goals/priorities	<b>Research top 8 OEM's including Lab</b>	<b>Profile top 8 customers to create profile of ideal customer and detailed account plans.</b> (develop tool to go get it -- include lifetime value, rank for leverage and fit, profitability and action; key influencer matrix)	<b>Assess organizational impact</b> by engaging with 2 - 3 online platforms to test viability -- relationships, contracts, business rules, product information and set up
	<b>Customer satisfaction measurement strategy</b>	<b>Create and deliver training on OEM's to professional staff</b> (their products, pain points, target markets)	<b>Customer journey mapping process and value proposition development</b>	
	<b>Develop overall Talent Strategy</b> (Raise the bar; required talent, evaluate, recruiting, training)	<b>Package and share research to test receptivity and collaborate with a few OEM partners with the first set of data.</b> (Create "insight sales" methodology; then train sales force).	<b>Identify next markets to explore</b> -- evaluate and analyze gaps, decide and determine next steps and who's responsible.
